The Student Association

The present Student Association was organized in 1922 on a plan presented to the school by the principal, Mr. Royal B. Farnum. While it is not precisely a student government, the Association has many of the functions of such an organization and is an integral factor in student life. It is primarily an agency for the promotion and supervision of social life and extra-curricular activities, and it has sole control of the financial affairs involved in student enterprises.

The political structure of the Association consists of two inter-related units: the Council of the whole and the Advisory Board. The Council of the whole is the entire membership of the Association, which includes every student in the school. The legislative power is vested in this Council, and it must pass on all amendments to the Association's constitution and may make decisions on important questions affecting

the policy of the Association. The executive power is possessed by the Advisory Board. This Board includes the Association officers, the class presidents, the heads of the various student organizations, and a faculty committee. It has the general direction of all student activities.

One of the most important duties of the Association is the administration of finances for the various school organizations. The funds received annually from the collection of membership fees are budgeted among the different classes and clubs. Each organization is credited with a specified sum and its expenses are paid from this amount by the Association treasurer as requested by the organization's treasurer. This method centralizes responsibility and simplifies business relations between school organizations and outside concerns.

This year marks the end of the war. The Brush Off, formerly a news sheet for our service men and women, now takes the form of a school paper. This four page monthly is to be compiled by a student staff, under the guidance of the faculty. A feature column, consisting of a survey of extra-curricular activities, interviews with interesting people, as well as news, and cartoons will complete the issue.
